

Communication

Date	28 September 2026
Team ID	6ab221341
Project Name	Implement Client Script & UI Policy (Incident)
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for the successful implementation and demonstration of Client Scripts and UI Policies on the Incident table. This communication plan outlines how project updates, implementation issues, testing results, and feedback were shared within the team throughout the project lifecycle.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	Team Meeting / Chat	Project Team	Discuss implementation progress and assign tasks.
2	Progress Update	Weekly	Chat / Meeting	Project Team	Share Client Script and UI Policy development and testing progress.
3	Issue / Bug Discussion	As Needed	Chat / Meeting	Project Team	Discuss and resolve Incident form behavior and validation issues.
4	Stakeholder Review	Bi-Weekly	Meeting / Demo	Team & Stakeholders	Review implemented Client Scripts, UI Policies, and required changes.
5	Final Demo Rehearsal	Once	Meeting / Demo	Project Team	Verify the Incident form functionality before final demonstration.

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Client Script or UI Policy not behaving as expected on the	Reviewed the script/condition, tested the

	Incident form.	form, and corrected the configuration.
2	Fields were not showing, hiding, or validating according to the requirement.	Checked UI Policy conditions and actions, then retested the Incident form.
3	Testing issues during the final demonstration.	Performed repeated testing and fixed configuration or script issues before the final demo.
